

# Boat Tahoe Launches New Murder Mystery Sunset Boat Cruise on Lake Tahoe

PRESS RELEASE  
FOR IMMEDIATE RELEASE

South Lake Tahoe, CA - Boat Tahoe has announced the launch of its newest on-the-water experience for the 2026 season: the Murder Mystery Sunset Boat Cruise, a one-of-a-kind Lake Tahoe boat tour that combines scenic sunset cruising, local history, and interactive mystery storytelling. Designed as a fun and unforgettable evening on the water, the new experience gives guests the chance to enjoy Lake Tahoe's stunning shoreline, iconic landmarks, and golden-hour views while following clues and working together to solve a murder mystery set on the lake.

Unlike a standard sunset boat ride, the Murder Mystery Sunset Boat Cruise is built around a story rooted in Lake Tahoe itself. As the cruise moves across the lake, guests experience a mix of real Tahoe history and fictional mystery, with the story unfolding at recognizable locations including Emerald Bay, Vikingsholm, Fannette Island, and the Rubicon Cliffs. The result is a Lake Tahoe sunset cruise that feels immersive, cinematic, and completely unique to the destination.

The new experience expands Boat Tahoe's lineup of private captained charters and specialty boating experiences, giving visitors another memorable way to enjoy Lake Tahoe from the water. It is ideal for couples, families, friend groups, and visitors looking for one of the most unique things to do in Lake Tahoe at sunset.

With interest continuing to grow around unique private boat tours and sunset experiences on Lake Tahoe, Boat Tahoe expects the Murder Mystery Sunset Boat Cruise to become one of its most talked-about offerings for the upcoming season.

## QUOTE

*"We wanted to create something that people truly cannot find anywhere else on Lake Tahoe. This experience combines the beauty of being out on the water at sunset with storytelling, suspense, and real Tahoe history. It's fun, different, and something guests will be talking about long after the cruise ends."*

- Zach Koneffko, Owner, Boat Tahoe
